# Invitation

Dear Colleagues,

It gives me immense pleasure to invite you to the National Conference of Health Professions Education, 2021 to be hosted by Sri Guru Ram Das University of Health Sciences, Sri Amritsar during 26th to 30th October 2021. Originally planned to be hosted in 2020, the Covid outbreak forced us to shelve it. With uncertainty still prevailing over the pandemic scenario, we are organizing the conference in hybrid mode. Hopefully, many of you would be able to come to Amritsar but just in case there is any issue, you can still participate through online mode.

The theme of the conference is 'Looking back to leap forward: Curriculum Innovation'. SGRDIMSR was amongst the few institutions to start online classes and assessment for medical students soon after the lockdown was announced. In addition, having been declared a Covid hospital, we strived hard to serve the local population with hospitalisation, immunisation, and other services. We hope to share some of these experiences with you.

The organizing team has worked hard and invited highly reputed faculty from across the globe to share their views on competency based medical education during plenaries, keynotes, debates, and workshops. We are sure you will enjoy the academic feast and the culinary delights, for which Amritsar is famous. Of course, a visit to the Golden Temple and an evening at Wagah Border (subject to local regulations) are added attractions.

Hope to meet you in October.

*Dr AP Singh*  
Dean
