CONFERENCE THEME

Theme of the conference this year is "Better Teacher for Better Child Health"

TARGET AUDIENCE

Both young and experienced teaching faculty of paediatrics and various other specialities, Postgraduates pursuing M.D. or M.S interested in upgrading their research and teaching skills, D.N.B students.

CONFERENCE OBJECTIVES:

Integrating E-learning to aid undergraduate teaching, Resident as teacher with emphasis on Communication skills, Develop and inculcate a dynamic academic program exploring Research Culture and Statistics, Sensitization of Competency Based Medical Education

JUSTIFICATION

NCPE 2018 will provide a leading platform to discuss these important Issues and the role of a competent medical teacher.

Broad range of activities, including:

- A dynamic academic program exploring emerging issues in paediatric education such as CBME, ATCOM and feedback assessment
- Dedicated activities aimed at ensuring the participants get sensitized with Research culture and Research Ethics. ☑
- Activities to facilitate the exchange of information and encourage the development of research in Paediatric training. ☑
- Workshops that explore the intersection between Health Care and communication skills.

NCPE 2018 will make full use of the capabilities of intellectual individuals with innovative presentations, and will be organized to provide each participant with the conference experience that meets their interests and needs.

A warm Welcome to all the delegates to the city of Amritsar, the name given by Sri Guru Ram Das Ji in 1578. It is the city of Golden Temple with other important places being – Gobindgarh Fort, Jalianwala Bagh, and Attari- Wagha Border, Panorama Maharaja Ranjit Singh . It is an honour and privilege to invite you to participate in this conference.

Sri Guru Ram Das University of Health Sciences Sri Amritsar

HOSTING

National Conference of Paediatric Education

From 26th - 28th October 2018

Invitation

Dear Colleagues, it gives me immense pleasure to inform that 6th National Conference of Paediatric Education is going to be held at Sri Guru Ram Das Institute of Medical Sciences & Research Sri Amritsar, Punjab, India from 26th – 28th Oct 2018.

This Institute is named after The fourth Sikh Guru, Sri Guru Ram Das Ji, the founder of holy city of Amritsar.

This Institute was started in the year 1997 and is coming up fast at the Amritsar-Mehta Road with a sprawling new campus in about 33 acres of land. It has rich experience in implementing several community-based programs with involvement of all stakeholders, to enhance the true meaning of health care by having a holistic approach to treat the patients. The principle of service to all and love of humanities as the central enshrined principle of Sikhism and principles of ethics practiced by the students and faculty of SGRDIMSAR.

It has received nation wide recognition whether in the aftermath of Kashmir floods or earthquake relief. SGRDIMSAR, Amritsar is perhaps the right choice to be hosting this UNIQUE conference.

The Management of the Institute and the organisers take this opportunity to extend a warm invitation to you for participation in this conference. The theme of this conference is "Better Teacher for Better Child Health". Looking forward to your academic contribution and active participation.

Organising Chairman
Dr. AP Singh
DEAN
SGRDUHS, Sri Amritsar.
