

Invitation

With the grace of Almighty, It is a great pleasure to invite you to participate in the 2nd annual interventional radiology meet cum workshop, to be held at Sri Guru Ram Das Institute of Medical Sciences and Research, Sri Amritsar on 21st & 22nd September 2019. The theme of the conference is – "Interventional Radiology". The conference aims to create a forum for hands on training workshops, dialogue and discussions to form a solid foundation for our future expert doctors.

Interventional radiology is a challenging and metamorphosing specialty. This exciting conference covers the most up to date topics. After attending the conference, all participants will be able to discuss and apply the best interventional radiology practices presented by some of the country's top interventional radiology experts.

There will be oral paper and poster presentations for post graduate students.

Evenings will be delightful allowing you to relax your minds and unwind.

We look forward to your invigorating presence and active participation in the scientific sessions.

Welcome once again to – The City of Nectar.
