18TH AUGUST, 2024 SUNDAY

Dear Delegates,

We are delighted to announce a comprehensive and insightful PG Teaching Program on the "**Application of Radiotherapy in Cervix Cancer: Basics to Advanced.**" This program is designed to provide a deep understanding of the crucial role radiotherapy plays in the treatment of cervical cancer, covering fundamental principles to advanced techniques.

Understand and engage with case studies and real-world scenarios to enhance your knowledge in cervical cancer management.

Participate in interactive sessions led by experienced professionals in the field and exchange ideas.

All attendees will be provided with **Participation Certificates** upon completion of the PG Training Program. These certificates serve as a testament to your commitment to continuous learning and professional development.

It is with great pleasure that we extend an invitation to you to participate in this enlightening PG Training Program. Your presence will contribute to the richness of the discussions and the overall success of the event.

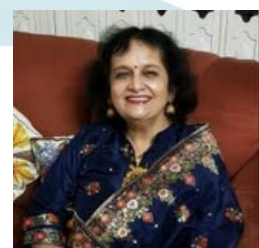

We welcome you to Amritsar, where Tradition Meets Tranquility in the Heart of Punjab

Dr. Neeraj Jain
