# Message

Dear Friends,

It is an honour and privilege for me to invite you to the 4th Annual Conference of the Punjab State Chapter of ASI. Being a very young chapter I look at all the dynamic surgeons of this vibrant state to make this chapter an outstanding one.

This conference promises a varied surfeit of academic presentations, social interaction and warm hospitality. A plethora of distinguished surgeons from all over the country and abroad have kindly consented to be the faculty. In addition we have arranged a session for post graduates to present as also for the young surgeons. On behalf of the organising committee I look forward to see our colleagues from all over the state participating in this meeting.
